

**Vector Planning & Services, Inc.
591 Camino De La Reina, Suite 725
San Diego, CA 92108**

Subject ID: User Support Specialist (SPS-PD2)

Location: Washington, D.C.

Position Description:

- Provide PD2 product consulting services and expertise to answer users' functional and technical questions related to the use of the PD2 product and processes. The service must be provided in a manner consistent with SPS implementation plans and procedures.
- Provide assistance with issues considered "out-of-scope" for the Navy's SPS Technical Helpdesk/SYSADMIN Support.
- Act as the central repository for SPS usage issues, both technical and functional and shall work closely with: the SPS Data/Network Center, other system support contractors, and or other designated hosting facilities as required.

Required experience:

- Demonstrated direct use of SPS-PD2 for contract formation and administration.
- Ability to work with customers through effective written and oral communication.
- Bachelor's degree in a technical discipline or the equivalent combination of education and experience.
- Active SECRET level DoD clearance

Security Requirements: Active SECRET level DoD Clearance

Submission Requirements: All resumes should be submitted to: Recruiter@myvpsi.com
